Esprit home Fall/Winter 2018

The spectrum of Fall/Eccentric Luxury

When the weather turns and nature takes on a different color palette, so do we. After the light and bright hues of summer, we embrace fall in all its warm kaleidoscopic glory. Laying the groundwork are taupe and petrol as this season's key colors. The supporting colors aqua, mustard, burgundy and burnt orange bring comfort and harmony to the mix. Mimicking the liveliness of fall with its alternating blustery and peaceful days is a wide range of patterns to choose from. A graphical diamond design on a hand-woven carpet. Duvets with bold zigzag stripes complemented with mini patterns. Wallpaper in artistic textural damask designs with metallic hints. Silky soft velvets and flannels, thick woolen textures and luxurious jacquards in color gradients please the eye as much as the touch. If this all sounds like a rather eclectic mix, that's because with the Esprit home fall collection 2018 that's exactly what we are aiming for.

The great indoors/Minimalistic Authenticity

For winter we take it down a notch. Minimalistic on the surface, but dynamic and authentic underneath. We're taking Taupe with us from the fall collection and are adding Blush and Grey to the palette. Sit back and watch it all come to life around you. If getting out of bed on dark winter mornings wasn't hard enough already, our satin sheets with hand drawn floral designs will make it even harder. Our super comfy chenille woven and velvet cushions won't help much either. But don't they look amazing? On the floor, soft blocked plaids and colour gradient wool carpets blocks keep your feet warm on cold days. Glitter detailed wallpapers bring some much needed sparkle to your walls when light outside is scarce. This winter with Esprit home, it's the inside that counts.

True colors 2018

Das Zuhause erzählt immer eine ganz eigene Geschichte. Die Auswahl der Farben, die Möbel und die Accessoires und dann natürlich auch, was in den Bücherregalen steht. 2018 besucht Esprit home vier sehr unterschiedliche Persönlichkeiten – eine stellvertretend für jede Saison.

Nachdem wir im Frühjahr und Sommer einen Einblick in das Zuhause der romantischen Botanikerin und der nostalgischen Folkloristin gewinnen konnten, sind wir im Herbst und Winter zu Besuch bei der luxuriösen Exzentrikerin und der echten Minimalistin. Uns erwarten hochwertige Materialien, frische Farben und raffinierte Texturen, die Ihre Einrichtung zum Leben erwecken und ihr Charakter verleihen – immer mit einem Touch Esprit.

You can tell a lot about someone by the way they decorate their homes. From the colors of their walls to the fabrics of their furniture and, of course, the contents of their bookcase. In 2018, Esprit home takes a look inside the homes of four different personalities, one for each season.

After marveling at the homes of the romantic botanist and nostalgic folklorist in spring and summer, let's pay the luxurious eccentric and authentic minimalist a visit for fall and winter. Look forward to premium materials, fresh colors and subtle textures that bring your home to life and reveal your true self – always with a touch of Esprit.

Eccentric luxury Fall collection

Wenn der Wind die bunten Herbstblätter zum Tanzen bringt, lohnt sich der Blick nach draußen. Und es gibt keinen besseren Ort dafür als die eigenen luxuriösen vier Wände; umgeben von dicker Wolle, zarten Stoffen aus Samt und Seide sowie luxuriösem Jacquard mit auffälligen floralen Mustern. Streifen in Taupe und Petrol sowie kleingemusterte Dessins mit einem Hauch von Senf, dunklen Orangetönen und kräftigem Burgunderrot lassen graue Tage freundlicher erscheinen, während man selbst ganz still die Welt da draußen an sich vorbeiziehen lässt. Der Sommer mag vorbei sein, aber in einem solch farbenfrohen Zuhause fällt das gar nicht auf!

As the wind whips up the colorful fall leaves, it's time to appreciate nature. And what better place to do that than from the comfort and luxury of your own home! Surround yourself with rich wools, soft silks, velvets and luxurious jacquards with bold floral prints. Taupe and petrol stripes and mini patterns with hints of mustard, burnt orange and burgundy keep the gray away, as you quietly watch the outside world go by. Summer may be gone, but with a home this beautiful you won't mind at all!

Minimalistic authenticity Winter collection

Die Tage werden dunkler, die Straßen werden glatt und der Wind wird eisig. So fühlt sich der Winter an! Endlich hat man wieder einen Grund, zuhause zu bleiben und sich eine wohlverdiente Auszeit zu gönnen. Darüber zu sinnieren, was im Leben wirklich zählt. Freunde, Familie, eine minimalistische Einrichtung in Schwarz und Weiß oder jeglichen Grauschattierungen. Kleiner Scherz am Rande!!! Obwohl das natürlich schon gut aussieht. Vor allem, wenn man diese Einrichtung mit schwerem Woll-Jacquard, Naturprints oder dynamischen geometrischen Mustern mit Akzenten in Blushtönen kombiniert. Umgeben von diesem Ambiente lässt sich leicht über all die wunderbaren Dinge des Lebens nachdenken - da will man das Haus gar nicht mehr verlassen!

Dark days, cold winds and icy roads. Yay, it's winter! And that means you can stay indoors and treat yourself to some well-deserved me-time. Think about what really matters in life. Friends, family and a minimalistic black and white interior or one decorated in different shades of gray. Just kidding! Although, of course, it's lovely to have. Especially when you add chunky woolen jacquards, natural prints or dynamic geometric patterns with touches of blush into the mix. Picture yourself reflecting on all that is amazing in your world and you may never want to leave the house.
